### A Few Words from the Principal:

Kedar Sant Ramashray College, Sarairanjan, Samastipur was founded in 1981 by Sant Ramashraya Ishwar on the demand of the people of the area. It is a rurally dominated area where there is no centre for higher education in the radius of 20 Km. It was established to meet the educational needs of all the sections of the society including SC, ST, OBC, EBC, minorities etc. The need was felt more drastically by the girl students, who outnumber boys in this region, being unable to cover a distance of 40 km. (up & down to go to district head quarter) every day to fulfil their academic aspirations. It is a permanent affiliated unit of Lalit Narayan Mithila University, Darbhanga under 2(f), and 12(B) since 1995, in the faculties of Arts, Science & Commerce. Viewing the comprehensive need of education of this region, the university has also approved distance education in ten subjects from the academic session 2013 onwards at the U.G. and P.G. levels.

Our focus is on providing quality education to the students of all backgrounds irrespective of any discrimination on the basis of caste, creed, community, economic status, academic status etc.

In the last few years, we have aimed at developing the infrastructure of the college to cater to the need of the growing number of learners. We have been organizing various academic and co-curricular activities to instil confidence and enhance the personality of the students. We are marching ahead with the pious aim of producing bonafide graduates with the employment skills of the modern time. Hope, your co-operation will give an impetus to our forward journey.

## **CRITERION-A: CURRICULAR ASPECTS**

### **A.1 Planning & implementation of the curriculum.**

## ***Aims, objectives and mission***

**A.1.a** Kedar Sant Ramashray College, Sarairanjn, Samastipur is an affiliated unit of Lalit Narayan Mithila University, Darbhanga.

It nourishes the vision of the university and the government as well. We intend to instil educational moral, cultural and scientific values in our students through quality education to face the challenges of the changing world.

### ***Our chief aims& objectives.***

- I. Imparting quality education irrespective of any discrimination.
- II. Infusing ethical, cultural, & scientific values.
- III. Serving equal opportunities without gender biases.
- IV. Developing better employment skills.
- V. Producing bonafide responsible citizens.

### ***Our chief missions***

- I. Ensuring accessibility of higher education to all sections of the society.
- II. Providing updated knowledge to the students.
- III. Sensitizing students towards social concerns like human rights, gender equality and environmental issues.
- IV. Providing value based education.
- V. Promotion and preservation of cultural values/heritage.

We constantly strive for achieving our destined goals through active participation of all sections of society, college staff and students in the academic events. We communicate our visions, objectives and missions to our students, teachers and staff through

- I. College magazine
- II. Newspapers/ print media
- III. College website
- IV. Various programmes

### ***A.1.b. Action plans for the effective implementation of the curriculum***

We channelize action plans for the effective enforcement of the curriculum under the university norms and guidelines. Our efforts are to ensure at least 200 teaching days during an academic year. In case of internal examinations, extra activities or sports activities we manage to plan our classes such that the classes wouldn't suffer. We complete the syllabus of all the faculties before the forms are filled in.

We also conduct periodic tests to assess the retention capacity of the learners. Subject wise departments also hold interaction with the students for their better output.

***A.1.c. Procedural and practical support to the teachers from the college university for better curriculum coverage and teaching practices:***

The college and the university provide all the facilities to the teachers to join the refresher/ orientation courses and participate in the seminars and workshops. The seminars and workshops are also organized to upgrade and update the information of the teachers. The faculty members are also provided modern audio visual devices like computer, internet, and projector etc. for better understanding of the subjects. The college library also helps the faculties by providing the required books, reference materials, magazines, Journals to get access to the curriculum.

***A.1.d. Initiatives taken by the college for effective curriculum delivery:***

The academic cell of the college holds a meeting after the summer vacation before the new session starts every year. It reframes the curriculum to cater to the needs of the students as most of them belong to the poor economic background.

We boost up the students to share the activities of the various forums like NSS, Seminars, Symposia, and Sports. Career and counselling cells also organize personality development programmes. The academic cell of the college also holds seminars in different subjects with the outside invitees for the better implementation of the curriculum. The faculty members are also being trained to know the computer skill to use the modern technological resources like internet, projector etc. for the supplementary aids.

***A.1.e. Interaction of the institution network with placement agencies, research bodies and the university in effective operation of the curriculum:***

The college career and counselling cell, time to time, contacts the placement agencies for the employment opportunities to our students.

The faculty members remain in contact with the P.G. Departments of the university to know the latest research developments. They are also encouraged to undertake minor/major research projects and to get financial aid from the UGC to conduct seminars and workshops. Besides, they are advised to take part in the seminars organized at other institutions also.

The syllabus committee of the university decides various degree courses. Thereafter, the syllabus is divided by the college teachers in effective

groups for its timely completion for the degree examinations. We also get university academicians' guidelines for the effective curriculum implementation.

***A.1.f. Analysis to ensure the achievements of the objectives of the curriculum:***

There are internal tests being conducted at certain intervals to evaluate the teaching by the faculty members. Feedback from the students, time to time, and the compulsory attendance of 75% of the total classes run also help to analyse the academic enrichment of the students. Besides, motivational workshops and seminars are also organized to achieve the objectives.

**A.2 Academic affordability.**

***A.2.a. Details of the certificate/ Diploma/Skill Development courses:***

Our college doesn't run any Certificate, Diploma or Advance Diploma courses. But we manage spoken English classes, short term computer (Basic) Skill and Personality Development programmes through Career and Counselling cell to upgrade the students including the unprivileged sections of students under the observation of the Equal Opportunity Center.

***A.2.b. Academic mobility, progression, skill development to improve the potential for employability:***

The college runs three year degree (I),(II) and (III) courses on the Annual Examination basis. Yet, the promotion to the next part (II) or (III) is considered with the backlog and one/two subjects making easier for students to complete their courses in two/three chances. It ensures academic mobility and progression to higher classes. Extra classes are managed to help weak students to improve their performance. Some short term Spoken English, Computer Literacy and Personality Development Programmes are organized for the enhancement of the employability potential.

***A.2.c. Self-financed programmes:***

The college doesn't run any self-financed Programmes.

***A.2.d. Additional skill development programmes :***

We provide additional employment oriented skills to our students. These skills include Mithila Paintings, Mehndi Art, Spoken English, Computer skill, Personality Development, Beauty Culture for employability.

### ***A.2.e. Combination of Conventional & Distance Mode of Education:***

The University Provides the flexibility of taking up conventional face to face education and distance mode of education joined together. The students are motivated by mentors to pursue a conventional degree course in the college and do the job oriented courses like BBA, BCA, B.Lib. etc. provided by the Directorate of distance Education of L.N.M.U. through Distance learning mode simultaneously.

### **A.3. Enrichment of the Curriculum.**

#### ***A.3.a. Integration of academic programmes, institutional goals and objectives:***

The recommendations of the Department councils on the basis of the feedback from students and teachers are communicated to the college faculties through the Academic councils of the University. It ensures that the academic programmes, goals and objectives are integrated.

#### ***1.3. b. Value based programmes to ensure holistic development of students:***

Short term training camps are organized by the Equal Opportunity Center, Career & Counselling Cell, Network Resource Center, NSS for the development of moral and ethical values, community services & employment skills.

#### ***1.3. c. Monitoring & Evaluation of the quality enrichment programmes:***

We hold regular interactions with the student groups both separately and collectively like boys, girls, SC, ST, OBC, EBC, Muslims etc. These interactions help us to get feedback from the students for the enrichment of the quality of the curriculum. Their visions lead us to introspect into ourselves for our quality improvement.

### **1.4 Feedback Mechanism.**

#### ***1.4. a. Contribution of the institution in the development of the curriculum:***

There is no role of our college in the design and development of the university curriculum. But the faculty members sit together to discuss the curricular aims and objectives.

#### ***1.4. b. Formal mechanism to obtain feedback from students and stakeholders on curriculum:***

The college mentor system and Grievance Redressal Cell applies a formal mechanism to get a feedback from students, teachers and guardians. Suggestions received during the interaction are paid due attention in the curricular structure.

(c) Programmes introduced during the last four years:

## **CRITERION – B**

### ***TEACHING – LEARNING AND EVALUATION.***

#### **B.1. Student Admission & profile.**

##### ***B.1.a Publicity and transparency in the admission process:***

The college notifies its admission process through the school notice board and print media as per the guidelines of the university. The cut off marks and reservation to different categories are duly notified and maintained as per the directives of the State government. A reservation of 10% for SC/ST, 30% for OBC& EBC, 2% for sports quota, 2% for NSS, 2% for differently abled and 2% for co-curricular activities strictly maintained. A fair and transparent monitoring system is maintained during the admission process.

##### ***B.1.b Criteria adopted for the admission process:***

The admission of students in this college is solely on the basis of “first come-first serve” basis. The students obtaining minimum of 45% marks in the last exam are able to get admission in degree honours without any discrimination of gender, caste, economy and religion. There is no-limitation of maximum marks in any subject. The selection and admission process is at par with the other colleges of the university.

##### ***B.1.c Mechanism to review the admission process and student?profiles.***

We have developed a mechanism to review the admission process under the admission committee. We also prepare data of students on the basis of caste, gender, SC&ST, physical disability, sports quota, OBC, EBC, religion etc. to maintain our transparent system. It is also reviewed whether the representation of all the sections is duly proportionate or not. In case of any lacking, a proper attention is paid to remove the disparity.

***B.1.d Strategies adopted to reflect our commitment to the inclusion of diversity:*** We follow the reservation policy of the state government in its true spirit. This is demonstrated through the data of admission in different categories, including Boys, Girls, SC, ST, OBC, EBC, Differently Abled, Economically Weak, NSS, NCC, Sports, Minority. This proves our commitment to respect the diversity.

***B.1.e Details of admission in different faculties in the last four years:***

Session	Courses	Number of application for admission	Number of students admitted
2011-14	B.A(Hons)	2130	1908
2011-14	B.Sc. (Hons)	482	419
2011-14	B.Com(H)	277	265
2012-15	B.A(Hons)	2013	1976
2012-15	B.Sc. (Hons)	652	596
2012-15	B.Com(H)	265	213
2013-16	B.A(Hons)	2015	1920
2013-16	B.Sc. (Hons)	614	565
2013-16	B.Com(H)	285	257
2014-17	B.A(Hons)	2136	1643
2014-17	B.Sc. (Hons)	560	463
2014-17	B.Com(H)	265	225

***B.1.f Reasons for enhancement in the admission:***

The college has improved the infrastructure like, boundary walls, classrooms, campus, beautification, campus road, garden etc. It has also improved the facilities of library, laboratory, reading room, common room, sports articles etc.

***B.2catering to diverse students:***

***B.2.a. Catering to the differently abled students as per the government policies:***

The faculty members and the other personnel interact with the differently abled students with due sensibility to provide all helps to them as far as possible. We strictly abide by the government policies in this connection. We also use our college Grievance Redressal Cell to provide such students with specific help.

***B.2.b. Strategies to bridge the knowledge gap of the students:***

Our mentor teachers organize extra classes to bridge the knowledge gap of the enrolled students to cope with the academic situation. They also provide them extra study materials, help books, and needful assistance.

***B.2.c. Sensitizing Staff to the issues, like gender, environment, inclusion etc.***

The Equal Opportunity Center, N.S.S. and the other concerned departments organize regular Seminars, debates, workshops to sensitize the college staff and students on the issues like gender, environment, inclusion etc. These programmes are also attended by M.L.As, M.Ps, M.L.Cs and other eminent figures to mobilize the sensitization programme.

***B.2.d. Special care for advanced learners:***

For their better advancements, some students have advanced learning abilities. The teachers firstly identify such students during the classroom teaching. They are given some extra teaching subject materials and other required aids. After the classes, they are also given time to clarify the core concept, if required. The suggestions of the educational psychologists are also followed.

***B.2.e. Dropout rate control:***

The mentors are specially advised to collect and analyse the data of the differently abled students, under privileged sections of the society, weaker section or slow learners. We do it sincerely to avoid the risk of drop out. Our Grievance Redressal Cell, and Equal Opportunity Centre work collectively to redress their grievances.

**B.3. teaching-Learning Mechanism.**

***B.3.a Teaching, learning and evaluation schedules:***

On the completion of the admission process, the teachers are directed to spill up the syllabus month wise and make a planning to complete it within the stipulated period. The students have freedom to interact with their mentor teacher to solve any problem. The problem is also referred to IQAC for solution. We also hold internal examinations and evaluate the papers to assess the quality and level of enrichment.

***B.3.b. Assessment of learners needs in terms of knowledge and skill before the programme commences:***

To know the shortcomings and problems of students IQAC interacts with the teachers and learners regularly. Feedback is taken from the students to judge the

quality of education, percentage of the syllabus covered. This helps IQAC improve the standard of education by acting as a bridge between the teachers and the students.

***B.3.c. Student Centric learning:***

We make our teaching more student centric. We divide the syllabus into small parts with time-bound completion system. Regular assessment through tests is an integral part of this process. Question-answer Session at the end of the chapter is also managed for the benefit of the students. We motivate our students to enjoy library visiting, read the reference books available in sufficient number for the promotion of independent learning.

***B.3.d. Promotion of critical thinking, creativity and scientific temper of students:***

Classroom teaching is a regular, traditional process of teaching being done here. Besides them, the college also organizes debates on relevant topics camps through NSS, seminars, workshops on relevant issues to promote the learners' critical thinking, creativity and scientific temperament.

***B.3.e. Technologies & facilities used by the faculty members for effective teaching:***

Our college faculty members avail of certain facilities like white boards, computer with projector for power point presentation and access to internet. The college library also make the teaching learning process more effective.

***B.3.f. Advancement of the level of knowledge and skills of the students and teachers:***

Seminars, workshops, conferences panel discussion are held to advance the level of knowledge of students. Our teachers are also encouraged to take part in the Seminars, Conferences, Orientation Course, Refresher Course, Workshops. They are specially requested to undertake major and minor research projects.

***B.3.g. Innovative teaching techniques adopted during the last four years.***

The college has developed a mentor system in a few years. The teachers have been more flexible to make teaching more student centric in this system. The system cares for the removal of the short comings of the learners and encourage them to widen their knowledge through self-study and self-innovation.

***B.3.h. Use of library resources to facilitate the teaching learning process:***

Our college library has an extensive number of standard text books (latest editions) and reference books. The purchase of these books are made strictly as per the latest directions of the syllabus committee of the university and the University

Grants Commission. Text books and reference books are provided to the students as a supplementary aid to each other.

***B.3.i. Challenges in completing the curriculum within the stipulated period and the academic Calendar:***

The college completes the syllabus generally in the stipulated time frame without any problem. If any problem arises in the course completion, special classes are arranged in due proportion to complete the curriculum and the maximum of 75% attendance.

***B.3.j. Monitoring and evaluating the quality of teaching & learning:***

A proper monitoring and evaluation of the quality of teaching and learning is done by IQAC. 75% attendance, library visit, pass percentage are the parameters to judge it.

**B.4. Quality of teachers.**

***B.4. a. Recruitment of teachers:***

The recruitment of teachers is made by the teachers selection committee following the norms as laid down by the state government.

## **CRITERIA – G**

### **INNOVATIONS AND BEST PRACTICES**

#### **G.1. Environment Consciousness**

##### ***G.1.a. Anything about Green Audit of its campus and facilities***

NO

##### ***G.1. b. The initiatives taken by the college to make eco-friendly the campus eco-friendly***

To make the campus eco-friendly, large scale plantation has been undertaken. Result has started to come with two hundred flourishing trees, shrubs and herbs. Regular cleaning of the campus and burning the waste to generate bio-fertilizer is one more initiative taken up by the college. An eco-park has also been developed in the college to beautify the campus and make it eco-friendly.

#### **G.2 .Innovations**

##### ***G.2.a. Details of innovations introduced during the last four years which have created a positive impact on the functioning of the college.***

1. The infrastructural development with boundary wall of campus has created a positive impact not only in the functioning of college but also in making it a conducive place of learning.
2. Partial automation of account section has helped in making claims and disbursement very easy.
3. Partial automation of general section has allowed preparation of statistical data easy and process of admission more transparent.
4. Library with partial automation, T.V, ICT and reading room provides right ambience.
5. Aquarium in the department of zoology is a centre of attraction and surprises visitors.
6. Huge plantations have made campus green as well as colourful.

7. Activities round the year have established the reputation of this college as a place of quality education.

## **BEST PRACTICE -1**

### **1. Title of the Practice**

Mentor System.

### **2. Aim**

As student attendance has fallen drastically in last ten years and college has become an admission place and examination form forwarding place, Mentor system was introduced. Each teacher was made mentor of a group of students (no of students/no of teachers) and in addition to normal academic problems, students were encouraged to discuss their personal, social and financial problems.

### **3. The Practice**

Our society prefers short term courses in place of regular traditional courses (three year degree course in science commerce and arts) for quick employment in an economically backward rural area (Samastipur District), it was a challenge to motivate the students for admission and study these traditional courses. These courses are still backbone of basic research and we need pure science, commerce and arts graduate to undertake post graduate and Doctoral level studies without these basic subjects, we cannot expect India to be innovative.

### **4. Evidence of Success**

Mentor System has brought back students to traditional graduate courses of our college and number of students has drastically increased. Success rate of students has almost touched 90% . Owing to the awakening of our students, they demanded teaching at P.G. level. The university felt our needs and now we have both U.G and P.G. level teaching through distance mode.

### **5. Problems Encountered and resources Required**

We do need funds to the tune of rupees one lakh per annum for inviting good Scholars from other institutions for motivational session both for teachers and students. NAAC could organize a workshop for motivating our teachers for becoming mentors and students coming to college for regular interaction.
