

Procedures and policies for maintaining and utilizing physical, academic and support facilities

The physical, academic and support facilities are maintained and supervised by the various college committees. Construction, maintenance and repairing of academic buildings, library, classrooms, electrical appliances and other physical infrastructure of the College is done by the Development/Building committee of the College. It intimates the construction, maintenance and repairing related requirements, as and when required. While purchasing an equipment from any fund, it is always ensured that the installation charges and maintenance charges (within warranty period) are provided by the company, which delivers the equipment. Such clause is inserted in the work order of the equipment.

Faculty members are given representation in various committees/cells nominated by the Teachers council, in the Governing body, in the IQAC and other committees. Every year, the composition of different committees is changed to ensure a uniform exposure of duties for academic and professional development of faculty members.

1. IQAC Committee
